WOMAN REFUSES OPERATION

Tells How She Was Saved by Taking Lydia E. Pinkham's Vegetable Compound.

Louisville, Ky.—"I think if more suffering women would take Lydia E. Pinkham's Vegetable Compound they would enjoy better health. I suffered from a female trouble, and the doctors decided I had a tumorous growth and would have to be operated upon, but I refused as I do not believe in operations. I had fainting spells, bloated, and could hardly stand the pain in my left side. My husband insisted that I try Lydia E. Pinkham's Vegetable Compound, and I am so thankful I did, for I am now a well woman. I sleep better, do all my housework and take long walks. I never fail to praise Lydia E. Pinkham's Vegetable Compound for my good health."—Mrs. J. M. Risch, 1900 West Broadway, Louisville, Ky.

Since we guarantee that all testimonials which we publish are genuine, it is not fair to suppose that if Lydia E. Pinkham's Vegetable Compound has the virtue to help these women it will help any other woman who is suffering in a like manner!

If you are ill do not drag along until an operation is necessary, but at once take Lydia E. Pinkham's Vegetable Compound.

Write to Lydia E. Pinkham Medicine Co., (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

FOLEY KIDNEY PILLS FOR BACKACHE KIDNEYS AND BLADDER

FOR SALE—Scholarship in Capital City Business College. Leader Office.

Pimples and Eruptions Mean Bad Blood

People who have impure or impoverished blood should be careful to take only a vegetable remedy such as Dr. Pierce's Golden Medical Discovery and has been for over 40 years.

The first day you start to take this reliable medicine, impure germs and fermentations begin to separate in the blood and are then expelled through the liver, bowels and kidneys.

In place of the impurities, the arteries and veins gradually get fresh vitalized blood and the action of this good blood on the skin means that pimples, boils, carbuncles, eczema, rash, acne and all skin blemishes will disappear. Then you must remember that when the blood is right, the liver, stomach, bowels and kidneys become healthy, active and vigorous and you will have no more trouble with indigestion, backache, headache and constipation.

Get Dr. Pierce's Golden Medical Discovery to-day at any medicine dealer. It is a powerful blood purifier, so penetrating that it even gets at the impure deposits in the joints and carries them out of the system.

Depend upon this grand remedy to give you the kind of blood that makes the skin clear, the mind alert, the vision keener and puts ambition and energy into the entire body. You won't be disappointed. For free advice or free booklet on blood, write Dr. W. M. Pierce, Buffalo, N. Y.

WHAT HOME FOLKS SAY.

Mrs. BELL CASTLEBERRY, 304 South Main St., McAlester, Okla., says: "When I had pneumonia and did not get well as I should, I used Dr. Pierce's Golden Medical Discovery and 'Favorite Prescription.' Magic Stick Washing

You see her reading while the clothes are being cleansed in the wash boiler. Sure, you boil out the dirt. That's the secret of Magic Washing Stick.

By adding one-fifth of a stick to the usual soap you can boil any kind of clothes without using the wash board, or washing machine, or any of the old back-breaking, clothes-wearing methods. Yes, fine flannels or colored goods, or any other goods. The dirt lets go; the fabric's not only clean, but white, soft and dainty.

And not a rub on the washboard. You read or play while the work is done by nature's own method. Not a particle of lye or alkali nor any other caustic is in it.

We Guarantee it not to damage the daintiest fabric. We guarantee it to delight and satisfy you, and to prove our confidence, authorize any dealer to return your money after you try one stick—or five washings.
